“ Met Ross when we moved to St. Georges in 6th grade. Also spent time in Port Penn every summer with my cousin and knew Ross then also. Friends since that time and loved dancing with him at Delaware City dances and other events. He was a long time good friend and we remained connected. Rest in Peace Ross.

“ Ross and I worked together for many years and although we didn't always agree he was a loyal friend and would be there in a second if you needed him. He had a good full life with many friends. Rest in peace Ross there are no more rush jobs.

“ Ross and I grew up together in Port Penn. we would come home from school turn on band stand and dance in my living room for a couple of hours. I can also remember when he's dad bought a new ford ,he asked his dad if he could take me for a ride in it. He let me drive it . We were good friends for a long time. God bless you Ross.
