“ *Alfie, I miss you like crazy! Knowing you are no longer in pain, you are healthy, fishing off the clouds, hanging out with Billzy - is what makes it a little easier some days. I just wish we had one more phone call, one more laugh, one more Mr. Damian, one more heartfelt conversation, one more visit, one more hug, one more time seeing you and D together...may you fly high with the Angels! Until we meet again, my friend, I pray you rest easy* 💔

“ *I will remember Alfie as a true and forever friend who was always there for my whole family when we needed him. Alfie had a very sweet smile and personality, I feel like I lost a brother and real friend and confidant. I will remember him every time I go to Mom's, who he also called Mom and see all the work he did for her, my Mom loved him very too, he will remain in my heart and memory.*

“ I will always remember Alfred as a hard-working, easy-going guy who adored his little baby girl. He changed her diapers, played silly games with her, fell asleep cuddling her, & watched over her like a hawk. He was a fun, caring person who loved & fiercely protected his family.

Alfred, I'm grateful to have had you in our family & part of our many fun memories - especially beach vacations & crabbing at Public Landing. You will forever be a part of our story & family memories.

Respect & love Alfred, rest easy in God's love & care. I know you'll be watching over those beautiful grandbabies - we promise they'll know what a good man there granddaddy was.
