

Wesley G. Morrison Sr.

February 8, 1932 - March 12, 2022

Wesley Glenn Morrison, age 90, of Newark, DE departed his earthly home to join his Lord and Savior on Saturday, March 12, 2022, at Brookdale Assisted Living in Dover, where he had resided since May 2021. Glenn was born on February 8, 1932, in Anderson, SC to Juby and Louise Morrison. He is preceded in death by his parents, his wife Jean, and his brother James (Buck) Morrison. He is survived by his children Cathy (Cliff) Maness of Asheboro, NC; Wesley (Tina) Morrison of Bear, DE; and Denise (Michael) Yearian of Townsend, DE; as well as 9 grandchildren Kasey (Shane) Rynkowski of Queen Creek, AZ; Kristen (Mike) Conley of Queen Creek, AZ; Justin Morrison of Port Penn, DE; Tyler (Dawn) Anderson of State College, PA; Christina (Ziggy) Maness of Asheboro, NC; Courtney (John) Beveridge of Bowie, MD; Jordan (Joe) Jakubowski of Newark, DE; Kaitlin Anderson of Oakland, CA; and Bethany (Samuel) Sheldon of Wilmington, DE; and 19 great-grandchildren. He is also survived by his siblings Linda M. White of Anderson, SC; Floride Manning of Laurens, SC; Nina Katherine (K) Henderson of Anderson, SC; and Dan (Butch) Morrison of Rock Hill, SC.

Glenn graduated from Clemson University in 1953 with a bachelor's degree in Electrical Engineering. Immediately following graduation, he began working for Tennessee Valley Authority in Chattanooga, TN. It was there that he met the love of his life, Ella Jean, whom he married in 1954 and remained so for 56 years, until her unexpected passing in 2010. In 1954, Glenn also enlisted in the army and served as a lieutenant for two years, stationed at Fort Gordon,

GA, and Fort Monmouth, NJ. In 1956, he began working for the Dupont Company at Savannah River Plant in Augusta, GA. In 1961, he transferred to Newark, DE and began working in the Engineering Department at the Louviers Building. This led to a lifetime of technical consultations on power systems for Dupont plants around the globe. In addition to numerous professional accomplishments, Glenn led corporate-wide efforts to improve electrical safety performance, including producing four electrical safety videos, which were distributed worldwide. He retired from Dupont in 1993 as a Principal Consultant, after 38 years of service. He also acted as Vice President of Harvard Environmental, Inc. in Bear, DE.

Throughout his adult life, Glenn had several passions and interests. Most important to him was his love for the Lord Jesus, whom he served nearly 70 years, most of that at Bethany Baptist Church in Newport, DE. His servant leadership took on many roles there, including deacon, youth director, chairman of the Sunday school department, and chairman of the benevolence team, to name a few. More important, were the relationships he forged with others, teaching, mentoring, and discipling them on their faith journey.

Glenn was also an avid golfer, with a long-standing membership to Louviers Country Club in Newark, and later Chisel Creek Country Club in Landenberg, PA. God blessed Glenn with such good health that he played golf right up to the last few months of his life.

A visitation will be held on Wednesday, March 30, 2022 from 10:30 to 12 PM at Love of Christ Church, 2157 Bear Corbitt Road in Bear, where a celebration of Glenn's life will be held at 12 PM. Burial will follow at 2 PM at the Delaware Veterans Memorial Cemetery in Bear. For directions or to send an online condolence please visit www.stranofeeley.com

“ In the fall of 1989, God blessed me with angels that from that day forward I called my “Delaware parents and family”. I still remember Glenn coming to where we were sitting and he bent down in the aisle and began introducing himself. I remember his smile and laugh. He was my Sunday school teacher. He set the example of the importance of studying the Bible. 🙏 Their home was a refuge for me when times were challenging. When I was homesick for TN, when my daddy died and so many other times. They welcomed me in happy times too. Family celebrations, Christmas, Thanksgiving, birthdays and “just because” visits were all precious. Glenn always pointed me to God’s Word and they both truly cared about me. I am so glad Rick knew you and he has known Jean through my memories. Thank you for the sweet bonds I share with each family member, which was made possible because of you caring enough to welcome me into church that day. Thank you that I have had the honor to call you my Delaware dad. ❤️ I know you and Jean and my mama and daddy are all together in Heaven now and there is no more pain. We will see you again someday. ❤️ Love you always!

“ I am very sad to hear of Glenn's passing. He was truly my mentor, from the day he interviewed me for Dupont Engineering in 1965, until he retired in 1993 and a few years after. I am so grateful for his untiring help, in making sure I would have a successful career. He would go out of his way to train and guide me, through my 28 years working in the same engineering group. that guidance continued after he retired, with co-authoring an IEEE conference paper. I was very moved, when in his 80's Glenn drove by himself to southern Delaware, and attended my wife's funeral. He will be obviously missed my many! Doug Welch

“ *Wes, Cathy and Denise - your Dad was a very special friend to us. So many years of friendship and working together with youth at Bethany. Loved those youth choir retreats at Downingtown, our family camping trips, sharing dinners together, and of course, sharing dog sitting for each other. Both Glenn and Jean were family to us. Watched all of you develop into the well grounded adults you are today. Your parents were proud of you. Our love and prayers go with you. Losing your parents isn't a easy journey. Please keep the family circle going, you have so much to live for and to share together.*

“ Glenn and Jean were a wonderful influence on Bethany’s Youth Group in the 70’s, and many of us followed their example of loving and serving Christ to this day. Youth choir, retreats and lock-ins will always have a special place in my heart. I was privileged to serve with Glenn for many years at BBC, and appreciated his gift of teaching. Thank you for leaving such a legacy. Until we meet again

“ *I am so sorry to hear of Glenn's passing. My thoughts and prayers are with his family. I was Glenn's secretary when he retired. My daughter Emily was born in December 1993, and Glenn and Jean came to the hospital in Lancaster the day after she was born. I will never forget that. A very nice man, who was always very appreciative of everything I did for him.*
