“ It was love at first sight for us and we were together from that first meeting until life got the better of us. Amber has several of your tendencies and I am forever grateful that you gave her to me. She is an amazing daughter, please watch over her and keep her safe. She couldn't have a better guardian angel than her daddy. I hope you have found the peace in heaven that you couldn't find on this earth.

“ Billy, You have been in my boys lives since you were all very young... You were always there to lend a helping hand, almost every time they moved. You were a true friend and always spoke so highly of them, and you would always tell me how proud you were of them! I always enjoyed our talks, you reminded me of where we have all been in life, and far we have come! We laughed about the monkey on our back, and how we had to be stronger than the monkey! Damn that Monkey! You had a heart of gold, and I will never forget you my friend. Sending your family peace and strength to get through this difficult time, and wishing you a peaceful journey home.. Rest Easy Billy

“ Billy you'll never know how much you were loved. We had so many good times. You were the number one stand up thorough dude I've ever known. We were so excited to be spending some time with you little bro. You were always so much fun to be around. With that smile and infectious laugh. Our hearts will never recover but comfort comes knowing you knew the Lord before you left us. You are unimaginably happy and healed. Love you always Billy Tina and Train Naylor

“ My heart is breaking right now.
Lil Billy has been my friend since we was young boys. During high school everyone went there own ways but still was in touch from time to time. Or we would see each other out and about . I knew I could always expect a call or something or just show up at the house when he was home and out and about. My heart hurts for him and the whole family Mrs Ginger ,Shelly ,Charlene and Lorie And Phil up in heaven. We will miss a true friend and a brother
