“ I can't remember what year it was, but it must have been 2002 or so. We lived in Philly at the time, and Bill was dating my roommate. My 1983 SAAB had broken down on the road, and even though there was a snow storm, Bill brought his truck out and replaced the starter in my car. It took forever due to the snow and cold, and Ticia, Anna and I took turns holding flashlights and sitting in Bill's truck for warmth. He was just that kind of guy, he'd do anything for anyone. I've lived far away for a long time and only saw Bill a handful of times in the past ten years, and every time I did I got a warm hug and a genuine smile. He'll be sorely missed.

“ We worked in the same office building for a few years, but i I didn't get to know you until joining DSL softball. In that short period of time, i just knew you were a great guy and would do anything for any one. You welcomed me and heather onto the Parking Lot Heroes crew with open arms. I will miss your never ending cheering and uplifting spirit during every game. Most certainly, i will miss your high fives & smile after every good hit or play the most.
