“ I remember the good times with my dad , he would make the funniest faces at us three . Call us goofballs , the best part was we got to listen to the Beatles together . Singing every song . I still remember the lyrics to half the songs . The last message I got from him was happy Easter and I love you :( I didn't even get to say goodbye or give u a hug :( it really sucks that u are gone 😞 I miss you and I love you dad . 😞
