“ To the family and many friends of William "Bill" Tomlinson: I am very sorry that I cannot be with you to celebrate his life. We were classmates at Mt. Pleasant High School, class of '51, the second graduating class for the high school.

Thanks to our last name, we were in the same home room for four years. However, the only classes we shared were home room and gym. Nevertheless, we were friends.

Bill is remembered for his basketball and baseball talents. Remember that since "Mount" was a new high school, often his opponents were as much as three years older.

He was a great guy; quiet but always friendly. I wish our paths had been closer after high school. May God bless him and all of you.

My deepest sympathies to all. Roy Sullivan
