PS

“ Bill was not only a good and loyal employee, but was also a good friend. I guess Bill and I had a mutual affection for cars (fast cars) he was into street rods. While I admired and was in awe of them, I wanted to go fast on the way to work and was more into Mustangs etc. We remained good friends throughout his employ and after he left to do traveling sales and later his own business he use to help me out part time up until I closed the stores. When we got our new home Bill and Carol attended our house warming and about two weeks later Bill stopped by with a framed cross stitch that cleverly followed my family's history to present day. It was just unbelievable and it is one of our most prized possessions and hangs just inside our front door for all to see.
I know he will be missed by everyone who knew him.
Carol, our prayers are with you and your family.

“ When we moved to Delaware 13 yrs ago Bro. Wissler quickly befriended our family. One day Bill asked me what was my favorite color. Puzzled by his question I answered “green”. Soon after I found out why he asked this question when he presented our family with a beautiful treasure that I will keep forever.

To Carol the ever faithful hard working wife. You are an example for all wives in the loving and patient way you helped Bill deal with his difficult illness.

Please accept our heartfelt condolences to your entire family. ❤️

“ Carol, I am sending my deepest condolences to you and your family. Whenever we would speak about Bill, I always loved when you would say...He’s just so cute isn’t he?” I could always tell how much you adored him. I could also tell that he adored you. I only met him once, but that one time was enough to leave a last impression...a very kind and wonderful person. My thoughts and prayers of comfort are with you now and always.
